

Experient Accessibility Policy

Overview

Experient is committed to providing access to our web pages for individuals with disabilities, both members of the public and Federal employees.

What is Section 508?

Section 508 requires that individuals with disabilities, who are members of the public seeking information or services from us, have access to and use of information and data that is comparable to that provided to the public who are not individuals with disabilities, unless an undue burden would be imposed on us. Section 508 also requires us to ensure that Federal employees with disabilities have access to and use of information and data that is comparable to the access to and use of information and data by Federal employees who are not individuals with disabilities, unless an undue burden would be imposed on us.
